Best Price Guarantee

We at Steel Advantage believe we have quoted you the best available price for your new Security Door, Gate or Patio Furniture based on our knowledge of the market and the various competitors in the industry. However, we recognize that from time to time a competitor will attempt to undercut our quote, or offer an inferior product to justify a lower price. We want to earn your business and will make the following Best Price Guarantee to you:

**We will beat any valid quote on a new Security Door, Gate or Patio Furniture
By a minimum of \$25.00 for each product purchased or give you a
\$50 Visa Card if we can't.**

The Following Stipulations Apply:

The competitor's bid must be dated within the last 30 days and the quote must be for the identical design, made from identical materials, with an identical finish on the product. Competitor's bid **MUST** be written on a sales form or invoice. Bids on business cards or scraps of paper are invalid. You (customer) must relinquish the competitor's estimate to your sales rep at the time your new order is placed to justify sales discount to the office.
